The total estimated Cost Plus Fixed Fee (CPFF) amount established for this purpose is the Target Price of **\$XXX,XXX,XXX (Enter dollar value text)**. The elements comprising this Target Price/CPFF amount are more fully detailed in the Target Price Breakdown set forth in Part IV and are summarized here as follows --

Subcontractor/Trade Costs	\$xx,xxx,xxx
General Requirements	\$x,xxx,xxx
Subtotal Direct Work	\$xx,xxx,xxx
General Conditions	\$x,xxx,xxx
Subtotal Construction Costs	\$xxx,xxx,xxx
GL/WC/Excess Insurance ⁽¹⁾	\$x,xxx,xxx
Subcontractor Default Insurance (SDI) ⁽²⁾	\$x,xxx,xxx
Builders Risk Insurance (BRI)	\$xxx,xxx
Total Cost of the Work	\$xxx,xxx,xxx
Contractor's Fixed Fee ⁽³⁾	\$x,xxx,xxx
TOTAL Target Price	\$XXX,XXX,XXX

For purposes of this Target Price, calculations of the insurance and fee amounts included in the Target Price Breakdown as shown above have been made using the following rates and bases and billing and/or adjustments to the Target Price shall be consistent with the same --

- (1) The GL/WC/Excess Insurance rate is x.x% applied to Construction Costs.
- (2) The Subcontractor Default Insurance rate is x.x% applied to Subcontractor/Trade Costs (refer to Article IX(d) for further information regarding the calculation, adjustment and payment of SDI costs).
- (3) The Contractor's Fixed Fee amount has been calculated based on x.x% of [base should be customized as per agreement for the specific Contract]

The Target Price is established for the purpose of providing Princeton University with a projection of the estimated total cost of construction for the Project. The Target Price shall not be construed as a limitation on the total amount payable to the Contractor under this Contract nor shall it be construed as an entitlement to the Contractor in the event of an underrun. Changes or updates to the estimated total Cost of the Work or the Target Price Breakdown shall be made only by the issuance of approved Change Orders as provided for in this Article and in accordance with General Terms & Conditions Clause M5 – Changes Under CPFF Contracts.

(b) General Conditions.

(1) The Contractor guarantees that the actual costs incurred for its General Conditions shall not exceed the amount of \$x,xxx,xxx as more fully detailed in the Target Price Breakdown set forth in Part IV and that all costs or expenses in excess of this amount shall be borne by the Contractor unless adjusted by Change Order. Should a change or adjustment to the General Conditions amount be required, the Contractor shall submit a separate Change Order Request exclusively addressing General Conditions and shall include supporting rationale for the change. Change Order Requests addressing changes to the Work shall not intermingle costs or expenses for General Conditions.

(2) **Hourly Billing Rates.** The Parties have agreed to the fully-burdened Hourly Billing Rates set forth below for the Contractor's salaried project administration and field supervision staff and other direct-hire labor included as part of the General Conditions for this project. These billing rates have been established solely for the purpose of comprehensive reimbursement of the Contractor's General Conditions labor costs by Princeton University (including, but not limited to, actual salaries, wages, bonuses, benefits, payroll taxes, insurance, and other labor-related overheads and burdens but excluding fee).

Individual/Labor Category	Hourly Rate

These Hourly Billing Rates are subject to audit and shall be adjusted either up or down as a result of the audit review. Any General Conditions amounts billed to date shall then be adjusted accordingly and a billing credit or charge applied on a subsequent payment application.

Prior to increasing rates for existing staff or adding any new staff to the project team, the Contractor shall provide hourly billing rates for Princeton’s consideration and incorporation into the contract.

(3) **Methodology for Charging Vacation and Holidays.** The Parties have agreed that vacation and holidays will be charged as follows: **[insert applicable language]**

(c) **Contractor’s Fee.** The fee amount established in this Contract is a Fixed Fee and it shall not fluctuate or be revised based on the actual Cost of the Work. The Contractor is not entitled to additional fee on Change Orders nor shall Change Orders cause any modification to the Contractor’s Fee. The Contractor is not entitled to fee assessed on General Conditions and such costs shall be excluded from any calculations of the Contractor’s Fee.

(d) **Savings.** Upon completion of the Work, the Contractor shall provide to Princeton University a detailed and complete accounting of the Cost of the Work for the Project. Should the actual final Cost plus the Contractor’s Fee be less than the Target Price as adjusted pursuant to this Contract; the savings shall accrue one hundred percent (100%) to Princeton University and zero percent (0%) to the Contractor. Should, however, the actual final Cost plus the Contractor’s Fee exceed the Target Price as adjusted pursuant to this Contract; then, the excess amount shall be borne solely by the Contractor.

The Schedule of Values shall be the basis for the Contractor’s monthly Applications for Payment and it shall be updated as necessary to reflect changes in the Target Price, to reflect the actual buyout of the subcontracts, and to reflect approved Change Orders.

(f) **Limitation of Markup.** Contractor shall include in each subcontract a limitation on the markup that Subcontractors can include in their Change Orders. The cumulative total markup (subcontractor markup plus all lower-tier subcontractor markups) shall not exceed fifteen percent (15%) of the direct cost of the change.
